**Summary:** This private foundation strives to give a helping hand to those 501(C)(3) organizations that are trying to make a difference in people's lives. Requests have been granted through the years to organizations with diverse areas of focus, such as: education, the arts, the environment, programs that serve disadvantaged children, human services, sports and wellness programs. The Ethel S. Abbott Charitable Foundation looks at each grant request uniquely for its potential to impact people's lives and to ultimately make a difference in the community. The Board of Trustees will generally consider grant requests for capital projects and endowment projects more favorably than grant requests for operating funds. However, the Board of Trustees will occasionally make an operating grant for the start up of a new 501(c)(3) or a program which will become self-sustaining after the start up period.
