

Grant Title: HIV TREATMENT ADHERENCE RESEARCH (R01/R03/R21/R34)

Grant Number: PA-07-338

Area of Research: Advance scientific research and intervention regarding HIV treatment adherence.

Release and Expiration: March 27, 2007 release; January 8, 2010 expiration.

Application Deadline: *AIDS-Related:* May 7, September 7, January 7 annually.

Amount: *R01 mechanism:* Typically under \$500,000 per year in direct costs; if request equals or exceeds \$500,000, prior approval is required.

Length of Support: Up to 5 years

Eligible Applicants: Public, state, and private institutions of higher education; For-profit and nonprofit organizations; small business; State Government; Tribal governments, organizations, and colleges/universities; Hispanic-serving Institution; Historically Black Colleges and Universities; Alaska Native and Native Hawaiian Serving Institutions; or Regional Organizations.

Agency/ Department: NIH; NIMH, NIDA, NINR

Summary: This funding opportunity seeks to support research to advance the scientific understanding of HIV treatment adherence and to enhance and expand available intervention strategies to promote, improve, and sustain adherence. The overarching emphasis is on the development of innovative behavioral and structural adherence interventions that could be rapidly translated into clinical practice, community venues, and public health policy within domestic and international settings. Research is encouraged to advance the scientific understanding of HIV treatment adherence and to enhance and expand available intervention strategies to promote, improve, and sustain adherence. The overarching emphasis is on the development of innovative behavioral and structural adherence interventions that could be rapidly translated into clinical practice, community venues, and public health policy within domestic and international settings. Approaches based on basic behavioral and social scientific principles such as cognition, emotion, decision-making, motivation, social interaction, structural factors, and cultural context are invited.
