Application Deadline: August 1, annually. Early submissions are preferred and are given priority in the year-end review process.

Amount: Variable.

Length of Support: Variable.

Eligible applicants: Nonprofit, tax-exempt 501(c)(3), U.S. organizations only.

Agency/ Department: Newman's Own Foundation

Summary: This foundation donates all profits and royalties after taxes for educational and charitable purposes. Paul Newman and the Newman's Own Foundation have given over \$200 million to thousands of charities worldwide since 1982. To apply for funding, organizations must provide organization information (including, but not limited to name, contact numbers, agency, project description, project budget, etc.) and attachments (including, but not limited to a copy of non-profit status, financial statement, annual report, etc.). Proposals are acknowledged within 8 weeks of receipt; grants to selected organizations are made by the end of December, annually.
